A golden scarab beetle with its wings spread, set against a glowing red heart shape on a black background. The beetle is positioned at the top center, with its wings extending outwards. The heart shape is a vibrant red with a glowing orange-yellow center, and it has a textured, wavy appearance. The background is solid black, with some small golden specks and a bright light source at the bottom center of the heart shape.

ABOUT JTТА

Hailing from the Pittsburgh region, JTТА are a seasoned group of musicians who have cut their teeth in notable area bands including Bon Journey, Into the Arena, Ferris Bueller's Revenge, Jukebox, Buckwild and others.

Forming in 2023, the band has taken the region by storm and gained a rapid following, faithfully recreating the music of Journey, Styx, REO, Foreigner and more. Each show is an experience that takes audiences on a memorable journey through the ages, transporting them to when arena rock reigned supreme.

Come to a show to see what the buzz is all about, and check out what JTТА's fans are saying...

TESTIMONIALS

Full capacity last night, so much fun!

- Edgewood Winery & Events Center

What a Journey Thru the Ages last night at Club 80s. From the opening show to the end, it was fire! Journey Thru the Ages put on a killer show as always.

- Club 80's

Another amazing night...Journey Thru The Ages sang some amazing songs.

- Iron City Beer, Indiana County Police Association
